Dear Andre

Ref: 24431

Title: Campus occupancy project

Thank you for submitting your ethics application for the above-named study. The Chair of the Faculty of Engineering Research Ethics Committee has reviewed your ethics application and we can confirm that your ethics application has received a favourable ethical opinion with the following recommended change:

1. Please review the formatting of your study documents which include a lot of whitespace.

Please note that the Faculty of Engineering Research Ethics Committee expects to be notified of any changes or deviations in the study.

For your reference, your ethics approval code is '24431' and details of your online ethics application can be found <https://orems.bristol.ac.uk/Project/Index/26309>

If you have any queries please contact research-ethics@bristol.ac.uk

Yours sincerely

Faculty of Engineering Research Ethics Committee
